- Realtime updates
- Higher uptime
- More shifts

DIGITAL ROADMAP

THE INNOVATION FUNNEL

ACCELERATED DIGITALIZATION

Provides **productivity improvements** across warehouse processes, leading to **reduction in labor cost**

Supports the **longer-term transformation of DSC** towards a **digital leader**, attracting **new digital talent**

Demonstrate thought leadership, invest in long term relationships and **deliver high quality service to increase our customer satisfaction**

Generates engagement and tangible on-the-job improvements (e.g., better ergonomics) while countering **labor shortage challenges**

WAREHOUSE OF THE FUTURE
